### **Minister Kazim Hosein Praises the Outstanding Work Ethic of New Municipal Police Constables**

*February 6, 2019. Kent House, Maraval* - Senator the Honourable, Haji Kazim Hosein wishes to express sincerest congratulations to Municipal Police Constables Nicholas Halls and Shaquille Holder for their bravery and courage in the line of duty. Constables Hall and Holder showcased their months of intense training at the Trinidad and Tobago Police Service Academy when they apprehended a suspect with a bag of compressed marijuana, while on an anti-crime exercise near the Montrose Flyover in the Borough of Chaguanas on Monday February 4, 2019.

Minister Hosein wishes to remind Police Constables Halls and Holder that there are two types of employees in the workplace; those who always do what people tell them to do and others who always do what their hearts tell them to do. Today, he applauds their courage and desire to make Trinidad and Tobago a safer place and particularly, the Borough of Chaguanas in which they serve.

The Municipal Police Service has indeed gained two fantastic, well-trained and professional Officers. He further advised them to maintain their focus and continue to remain committed and motivated in the course of their duties. Minister Hosein added that everyone works to pay bills and live a happy life but few people are fortunate enough to have a job that fills them with pride and happiness as well.

Incidentally, during the Passing-Out Parade for new Municipal Police Constables, held on Saturday February 2, 2019, PC Nicholas Halls received a commendation and special award for the Most Physically Fit Male Trainee while PC Shaquille Holder received a commendation and special award for the Best Shot Male Recruit among all squads.

Minister Hosein ended by expressing his continued support and congratulations to the young Officers and he anticipates an exciting and rewarding future for them.

END.
